Whangaparaoa College NEW ZEALAND

A world-class high school education ... with a DIFFERENCE!

New school, new buildings, new and innovative curriculum.

Your children can study in a high socio-economic area with a low crime rate and good housing in a highly desirable area.

The performing arts building.

The gymnasium.

In addition to a high class education, there are many leisure activities to experience including the beautiful beaches.

Nearby Stanmore Bay.

So many opportunities ...

What we can provide for your child ...

An international student with his homestay family.

Homestays

We will organize a homestay for your child with a New Zealand family. This will give your child the opportunity to become familiar with the English language in everyday situations.

An Innovative Curriculum

We will teach your children academic subjects, but we will also teach them thinking skills and the best ways to learn so they are well-prepared for the future! We focus on thinking skills, literacy and learning behaviours. There is a focus on academic subjects leading to university education.

Many Co-curricular Opportunities

- Outdoor Education such as camps.
- Sport—a wide variety of sports, including athletics, rugby, soccer, basketball, golf and tennis academies with specialist coaching.
- Culture—drama, music, dance.
- Other – computer club, equestrian events.

The new astro-turf courts.

Whangaparaoa College students participating in the Stage Challenge—one of the many drama opportunities.

Students running the school cross country competition at the nearby Shakespear Park beach.

Year 8 students are pictured enjoying the confidence course on camp.

Year 9 students collecting data from the rocky shore, near the college, to use in their Science and Mathematics classes.

Learning to sail is an option with the Waterwise programme.

Students are downloading photographs and doing some research in one of the specialist computer laboratories.
