

Kia ora whānau

Following our Prime Minister's announcement this afternoon, the whole of NZ will remain in level 4 lockdown until 11.59 pm on Tuesday 24 August. We will continue with our online learning timetable during this time as planned and we will be in contact once we know more.

We would like to thank our learners for their engagement during the last few days. Connecting with their teachers and classmates is important. Please keep encouraging your child/ren to attend their online classes so that they're aware of what work they can be getting on with.

Please remember to look after yourselves and your whānau, and keep in touch with others who may be a little anxious at this time.

Kia kaha

Steve McCracken
Principal
