

## Course Outline 2022

### Subject: Level 1 Music

Course Code:	L1MUS01	Course Length:	Four lessons per week
Brief Description:			
<p>This is a full course, with a focus on developing fundamental musical skills. Learners will create music, learn the fundamentals of music theory and ear training, as well as perform music at various points in the year. Music production technology is also utilised, so that learners may develop essential home production techniques.</p> <p>The assessment for this course will consist of comparing and contrasting two different pieces of music.</p>			
Pre-requisites/Co-requisites:			
None. However, it is highly recommended that learners have some experience on an instrument already, and / or are receiving lessons.			
Cost/Equipment:			
<p>\$60.00 to cover the cost of various music performances/workshops.</p> <p>A5 Manuscript Book and folder</p> <p>A pair of earphones/headphones</p>			
Teacher in Charge of this Course:		Andrew Ward	
<p>Max credits - 6</p> <p>Max external credits - 4 (optional)</p> <p>External exams are available for both aural skills (ear training) or written theory (score reading) - however, these are optional and should be discussed with the Head of Department initially</p>
