

Kia ora whānau

The Prime Minister has just announced that we will be in Level 4 lockdown until 11.59 pm on Tuesday 31 August.

We will continue online learning as we have been doing for the last few days. Keeping in touch with each other is vital during these isolating times. Learners are encouraged to keep attending their online classes so that they connect with their teachers and classmates.

Please remind your child/ren to be aware of who they're connecting with online via social media and what they're doing. There is so much unnecessary, harmful content available, and we hope that our learners will steer clear of this as it can be extremely damaging to them.

During Level 4, school sites are closed, and this includes the school grounds, school field and playgrounds. No-one should be onsite at this time.

Please remember to reach out to those who may be alone or anxious at this time. Take care of yourselves and your bubbles.

He waka eke noa – we're all in this together.

Ngā mihi

Steve McCracken
Principal
