

Kia ora learners

I trust you are all managing to do your best during this Level 4 lockdown.

On our website, under the Covid-19 updates, you'll find some videos I've posted with various messages. I will continue with these messages until we can be back together.

Please look at the attached document which will give you guidelines on what's expected of you while we can't be at school.

At Level 4, school sites are all out of bounds, this includes the fields, basketball courts, playgrounds etc. Please respect this and stay off the school site.

Gateway - If you have selected Gateway as an option for 2022 or even if you have not selected Gateway as an option but are interested in doing some work experience in 2022 can you please complete [this](#) Gateway google application form. If you have any questions about the Gateway programme please email Ms Colliar on gailco@wgpcollege.school.nz

Take care of yourselves and those in your bubble and help out where you can. Remember, kindness is never wasted.

Kia kaha

Mr McCracken
