

Kia ora e te whānau

Last night we were informed by NZQA that there have been a number of initial changes as a result of this most recent Lockdown.

- All external examinations will now be held 2 weeks later than originally planned. This means that NCEA external examinations will be held between 22 November and 14 December.
- The due dates for all portfolio-based subjects, like Art, will be pushed back by two weeks also.

As a result of the changes above, we have also adjusted the date that our seniors will leave for Study Leave. The revised date is Thursday 18 November.

Our school practise exams will run from Wednesday 27 October to Wednesday 3 November.

We will confirm dates for other school events such as Prizegivings, as soon as these are available.

There are further date changes to specific events. The school calendar can be found here: <https://wgpcollege.school.kiwi/index.php/calendar>

Should this current Alert Level be extended beyond next Tuesday, we are hopeful for further updates from NZQA. We will update you, our learners and community, as soon as we hear.

Stay safe, and kia kaha.

Ngā mihi mahana

Steve McCracken
Principal
