Fundraising for Charity 2017

Coast Youth Community Trust:

Coast Youth Community Trust, or the CYC as many of the Whangaparaoa College learners know them as, are a non-profit community group whose objective is to provide leadership and direction to nurture, support and mentor the youth of the Hibiscus Coast. The CYC and their team of Youth Workers, have worked closely with Whangaparaoa College for a number of years, offering their services and support to anyone, at any time. The CYC Youth Workers also support our college and the prefects, with the organisation and running of events for the learners to enjoy. We have chosen to support the CYC, because of the endless support that they offer us.

Love Soup Whangaparaoa:

Love Soup is a local, non-profit charity, who operate out of the Whangaparaoa Community Hall. Love Soup focusses on feeding those who can't afford to feed themselves, with a strong emphasis on under-privileged families and the homeless. Love Soup offer this support to the whole community, which quite often is a thankless job. We have chosen to support this charity because we think that what they do in our local community, really does make a difference and we know that our support can make a difference too.

Manly Volunteer Fire Brigade:

The Manly Fire Brigade voluntarily perform an extremely valuable service which we all hope never to require. This service plays such a vital role in our community, a service which one day, you yourself might need. We are happy to support the Manly Fire Brigade because of how invaluable their support to our community is and also because many of the volunteers are ex-Whangaparaoa College learners.

Doctors Without Borders:

Doctors Without Borders is an international humanitarian organisation, operating worldwide, delivering medical aid to those in the greatest need. These people usually live in countries affected by conflict, disasters or epidemics, which few of us at Whangaparaoa College have experienced. We've chosen to support Doctors Without Borders because we see how lucky we are to live on the Coast and how their selfless work is invaluable to people less fortunate than we are.

NZ Comedy Festival

Three of our Year 12 learners - **Crystal McKenzie, Chloe Bougen** and **Alice Cassidy**, have recently taken part in the NZ Comedy Festival in Auckland City.

The learners were selected through the *Class Comedians* workshop held in our school in March. They committed time during the school holidays and weekends to work with NZ comedians, to create their own comedy set. They then performed these sets to the public at the Q Theatre on Saturday 20 May.

"One of the best things about it, was getting a reaction from the audience and hearing them laugh - it made all the hard work and preparation worth it", Crystal said.

The learners would recommend the experience to others when *Class Comedians* visit the school next year, though it is a big commitment over and above school work!

Taekwondo Tournament

We had a few learners from Whangaparaoa College compete in the World Taekwondo Tournament, held at the North Shore Event Centre on Sunday 14 May. They gained good results in the event and we would like to share their achievement with the college and community.

Results:

Liam De Lautour: Under 73kg, Blue Belt division Kyoruki (sparring) – Gold. Click [here](#) for Video.

Flynn Wilson: Under 40kg Black Belt division Kyoruki (sparring) - Bronze and in Poomsae (pattern) – Gold.

"Pressing The Right Buttons" Allison Moody.

Allie is a fun, entertaining speaker but most importantly, she has a message that is informative and life changing. You will agree with her clients "vibrant, insightful, funny, engaging and relevant."

You, like to sit and think - but your partner likes to talk, non-stop. Your daughter must have everything neat'n'tidy - but her brother couldn't care less. You're a born 'get-up-and-goer' but you're married to someone who has never got up and gone anywhere without being pushed. Why? You declare in frustration that you're opposites, that you're like chalk and cheese and that you just can't figure it out!
