

Course Outline 2022

Subject: Geography Full Course

Level: 3

Course Code:	L3GEOG01	Course Length:	01
Brief Description:			
<p>Geography as a subject can cover Level 3 literacy (writing and reading) requirements for University entrance literacy.</p> <p>Geography is an approved university entry subject and a list 1/A subject for Auckland University. It is possible to get 14 credits, from internal assessments, which is the requirement for a subject to be used as one of the three 14 credit subjects.</p> <p>The Level 3 course will specifically study:</p> <ul style="list-style-type: none">• Issues of human trafficking,• The pattern of maritime piracy,• Coastal erosion impacting the local area,• Geographic problem-solving. <p>The field-trip during the year will embed skills and foundational knowledge, supporting the learning related to some of the above topics.</p> <p>Geography studies the Earth's features and related human activity – it gives an understanding of people and places. Geography helps us understand our own lives in a global world and the vital issues we face such as natural disasters, climatic change, resource dependency, diminishing food supply, human rights and poverty eradication, environmental protection and sustainability.</p>			
Pre-requisites/Co-requisites:			
Open entry			
Cost/Equipment:			
1 x 2B8 exercise books. \$60 fieldtrip (dependent on numbers) and course-related materials. Subject to change.			
Teacher in Charge of this Course:		Sandy Haggart
