

Logging into ETV

1. Go to the intranet tab and click on the ETV link.

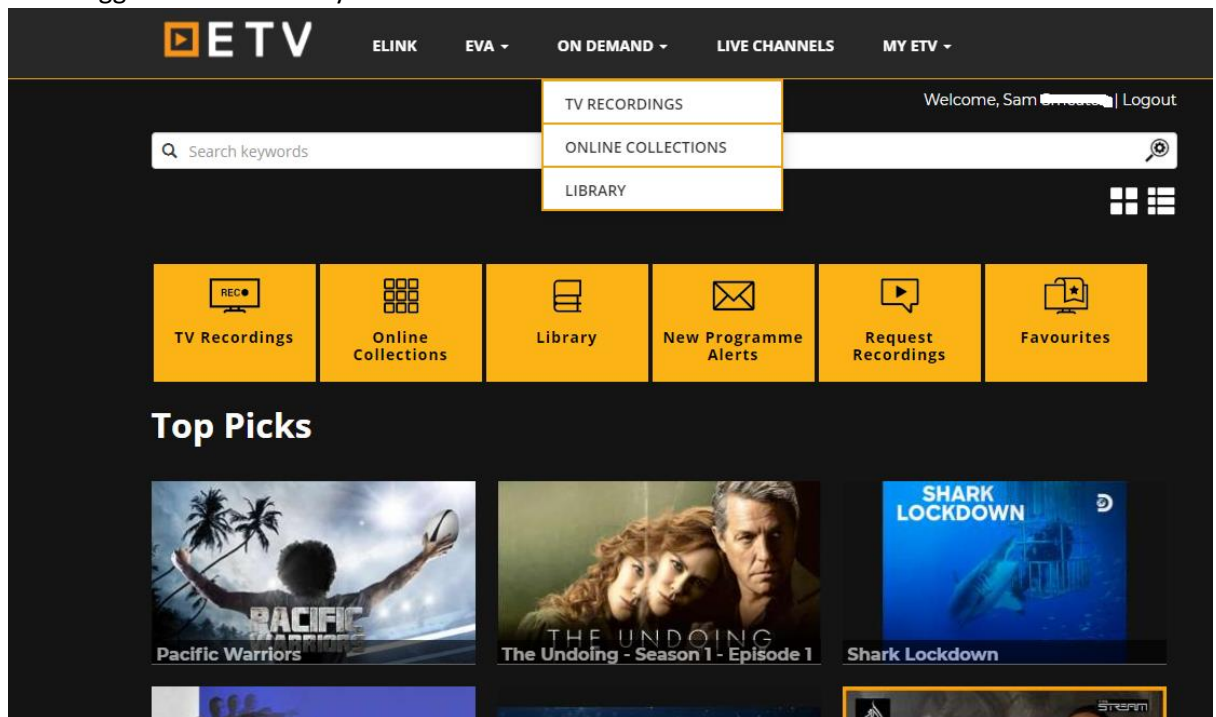

2. Put in your full school email address eg. Joe.bloggs@wgpcollege.school.nz

If for any reason you are unable to log into ETV using your school email and get the **'email address is not in a valid format'** message please go and see ICT to check if your account needs activating.

3. Click the **'forgot password'** link if you cannot remember it and you be sent an email from ETV to reset it.
4. Once logged in this is what you should see.

5. Use the search function to find the resource/programme you are after.
