

Whangaparāoa College

Policy: Enrolment Scheme

Revised: May 2022

- 1) Whangaparāoa College will operate an enrolment scheme.
- 2) The geographical area boundaries, set out in [this link](#), provide a home zone for enrolments. Any learner whose current place of residence is in the geographical area is entitled to enrol at the school. If they subsequently leave the zone, they can remain enrolled.
- 3) There will be no automatic right of entry for any learner living outside the home zone. However, the Board will make available out of zone places of a number such that the optimum school roll will not be exceeded or appear likely to be exceeded at the time the decision is made.
- 4) Applications will be accepted in terms of this scheme in accordance with Section 11A to 11G(6) of the Education Act Amendment 2000.
