1. Only the Principal or the Chairperson of the Board of Trustees can represent the College to the media
  - a. When providing opinion on educational matters, either on a national or local level
  - b. In relation to internal affairs (e.g. a matter which may be sensitive to staff or learners).
2. Notwithstanding, staff may occasionally be approached by the media (e.g. in relation to a sporting event) and so the Principal and management of the College will provide guidelines to staff on interacting (or not interacting) with the media.
