Whangaparaoa College as a school recommend a laptop

Year 11 – Year 13 may not require professional level software, however some courses require professional level software and therefore have a preference for a laptop with higher specifications, these courses include:

- Media Studies
- Information Technology
- Design and Visual Communication
- Photography
- Maths (Statistics)
- Science (Physics)

Please see the [Senior Course Booklet](#) for further information

## Frequently Asked Questions

Q: Can I use a phone as a device?

A: No. You can use a phone for the camera functionality if the device does not have one, however a phone does not meet our minimum specifications and cannot be used as a fully functioning device

Q: Do I have to buy a version of Microsoft Office to go on the device

A: This is not compulsory as Office 365 and Google Docs is available free to all Whangaparaoa College Learners

Q: What if I cannot afford a device?

A: There are a few options

- You can request a letter from the College for assistance with WINZ.
- Many companies offer finance on interest free plans for Education
- If neither of the above are an option we do have a limited amount of loan devices available for those that meet the criteria, please email Dawn Sullivan (DP) to request a loan device - [dawnsu@wgpcollege.school.nz](mailto:dawnsu@wgpcollege.school.nz)
