

The following opportunity is being offered by Rangitoto College.

NCEA INTENSIVE REVISION & EXAM PREPARATION PROGRAMME

Available for students from ALL schools - Rangitoto College will be running NCEA Revision classes & Exam Preparation classes during the Term 3 Holidays and the following Saturdays.

Classes are available across all 3 NCEA levels for Mathematics, English and Science subjects and give students the opportunity to enhance their understanding before their exams. We feel that this is even more important this year with the time that students have had out of their regular classes.

Revision Classes = content based classes, revisiting key topics in the standard.

Exam Prep Classes = reviewing questions from past exam papers and working on improving answers to gain the best possible results.

- Taught by experienced teachers
- Held at Rangitoto College
- Fees from \$25
